GENERAL ORDERS

NO. 26-76

I. Effective 8 Aug 76 the DSA Centralized Intern Development Office is established at Columbus, Ohio as a field extension of the Staff Director, Civilian Personnel. The office symbol for this office is DCIDO.

II. Under the direction of the Staff Director, Civilian Personnel, the DCIDO is responsible for:

A. Development of Programs of Instruction for each career field in consonance with requirements of cognizant HQ DSA principal staff elements.

B. Monitorship of recruitment efforts as well as formal classroom training; coordination and review of all training received; and periodic on-site evaluation of program operations.

C. Administration and maintenance of a central record of all career Interns to include recruitment, training, placement and continuing career development data.

D. Establishment and supervision of Career Intern Training Centers as established in various career and occupational fields to carry out training and development in these specific fields.

III. Administrative support for the DCIDO will be furnished by Defense Construction Supply Center, Columbus, Ohio.
